ANALYSIS & ADVISORY

COMMUNITY BUILDING

We specialise in providing Insights, Advisory & Trade Events for AI & Smart Tech Practitioners in Africa

Launched in 2018, the AI Media Group South Africa specialises in providing insights, advisory & trade events for AI & Smart Tech Practitioners in Africa. We are curators of Africa's largest Artificial Intelligence & Smart Tech Trade Community for Enterprises, Governments, NGOs, Startups, SMMEs & Investors.

We connect 4IR Tech Companies & People, Buyers & Suppliers, Investors & Startups in Africa.

With a marketing and promotional reach of 55,000 practitioners we achieve our mission via 5 key pillars of activity, namely:

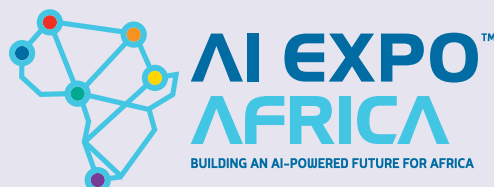

- **Events & Seminars**
- **Publications & Media**
- **Analysis & Advisory**
- **Community Building**
- **Promoting Responsible AI**

We are frequently asked to help organisations understand the local and regional detail of the rapidly growing African Smart Tech market. We provide consulting support to Ambassadorial Trade Missions, NGOs, Investors and Corporates seeking clarity on the business and investment climate across the continent.

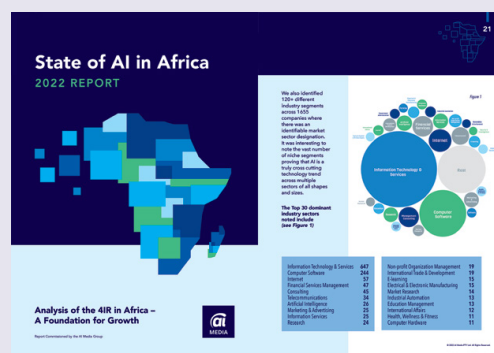

AI Media are founders of The South African AI Association and AI Expo Africa – the largest AI and smart tech trade show and conference in Southern Africa.

Since 2018 we have showcased hundreds of exhibitors & speakers, and welcomed thousands of companies & delegates.

We have become a trusted advisory partner and soft-landing entry point into the African AI & Deep Tech sector. We offer industry introductions, advisory and local intelligence to organisations seeking to do business and invest in the region. We are also publishers of the highly acclaimed State of AI in Africa Report.

Delegate, Client & Exhibitor Testimony

It's great to see how South Africa's AI ecosystem is growing and hear about the latest trends at AI Expo Africa

Michael Shapiro, Trade Commissioner (Digital Industries), Canadian High Commission

Congratulations Dr Nick Bradshaw and all his team for putting this amazing event together!

Guillem Martínez Roura, AI and Robotics Programme Coordinator, United Nations, ITU

Thank you to the amazing AI trailblazers who partnered with us. And a huge congratulations to Dr Nick Bradshaw and his team for a spectacular event

Mapaseka Setlhodi, Policy Officer in Economic Relations, Dutch Embassy SA

This was a phenomenal event, Mia Muylaert, Dr Nick Bradshaw I take my hat off and applaud you for once again a magnificent event

Kgosi Molefe, Resilience Engineering, Standard Bank Group
